## Assignments or Action Items

**Orienteering Course and GPS** (First Class requirements 4a and 4b) – Mr. Somerville will do this for scouts who need to complete this in groups of 2-4 scouts. This will take 2 hours to complete. Mr. Somerville will identify dates he is available, and we will sign up scouts for each session, first come first served.

**Scouts should review their needed requirements** and be prepared to work on them at meetings. We have scheduled specific requirements for each meeting and scouts that need those requirements signed off should be prepared to work on them at that meeting.

## Scoutmaster Summary

**Patrol Leaders** –Discuss calendar with Patrols and get a yes or no for each scout for each event planned. List shared with SPL and ASPL. Update advancement needs for your Patrols.

**Advancements** - At every meeting scouts that are not first class need to complete one item for advancement. Assistant Scoutmasters and Troop Guides will be assigned specific requirements to work with scouts on at each meeting. Scouts that need those requirements should be prepared and will meet with the respective leader. Scouts that don't need any of the requirements being covered will meet instead with Mr. Poling who will work with those scouts on scout skills.

**All Youth Leaders** – Leaders need to take charge and accomplish something at every meeting. This is your suggested agenda for meetings.

1. Opening (10 min)
2. Patrol Meeting (15 min) - Discuss with your Patrol what they want to do and discuss upcoming events you planned. Find out who will participate in every event you planned.
3. Patrol Advancement (40 min) - Plan something to work on for each meeting using advancements needed as a tool to help you. Every scout who is not First Class should have something signed off at every meeting.

4. Patrol/Troop game or activity (15 min) - This is up to youth leaders to plan something.
5. SPL and ASPL to meet with PL's to coordinate (5 min)
6. Closing (5 min)
